HOW IT WORKS

- Grab a plate, help yourself to the hand selected fresh salads, seasonal vegetables and homestyle hot dishes. Our specially prepared meats will be brought to you and carved tableside.
- No need to order a specific cut, all of the choices will be brought to you on rotation but we are happy to know your preference. Green for more and turn over to red to signal you are resting or finished. Simple.

A word to the wise

Our juicy and tender meats are served medium rare and we would recommend you go easy on the buffet, the meat is what you are here for.
